Preferred rates are available for insureds who meet all preferred underwriting requirements. Others may qualify for higher standard rates. Current premiums are guaranteed for 10 years, increasing annually thereafter. To determine your monthly premium, multiply the annual premium by .09 if you are paying by monthly bank draft, or multiply the annual premium by .085 if you are paying on Allied's Flex Bill Program. Flex Bill is the combined billing program for property/casualty and life policies with Allied. See your agent for more details. Policy form number LC0071. This insurance program is not an obligation of Zions Bank or any of its subsidiaries. Premium deposits made to the product and the benefits provided are not FDIC insured, nor are they guaranteed by Zions Bank.
